**Home:** Prem Bagan Dakshinkhan, 1230 Dhaka (Bangladesh)

### ABOUT ME

I am a passionate learner in web development (Full Stack Development) and also interested in Java. I have participated in a research project with my faculty, which enhanced my analytical skills and ability to find reliable sources. Additionally, I have an interest in archaeological antiquities. I have strong knowledge of Data Structures and Algorithms, Digital Logic Design, Electrical Circuits, and Electronics, along with a solid command of Mathematics.

### WORK EXPERIENCE

## **RECOMMENDATIONS**

---

Name: **Dr. Md. Mijanur Rahman** | Professor & Department Head, CSE, Manarat International University, Dhaka

I have known Riad as my student during my tenure as Dean at Uttara University. He has demonstrated excellent communication skills and strong subject knowledge. I strongly recommend him for his future academic and professional endeavors.

Email: [mdmijanur1970@gmail.com](mailto:mdmijanur1970@gmail.com) | Phone number: (+880) 1778949274

**Name: Dr. A. H. M. Saifullah Sadi** | Professor & Director, Software Engineering, Daffodil International University, Dhaka

During my role as Chairman of the CSE Department at Uttara University, I observed Riad's strong academic performance and excellent interpersonal skills. He is a motivated learner, and I confidently recommend him for higher studies and professional opportunities.

Email: [sadi.swe@diu.edu.bd](mailto:sadi.swe@diu.edu.bd) | Phone number: (+880) 1795379956

**Name: Rashed Hasan Ratul** | Graduate Research Assistant, Electrical & Computer Engineering, Virginia Tech, USA  
I taught Riad directly in an EEE course, where he consistently showed strong technical understanding, curiosity, and commitment to learning. His positive attitude and ability to grasp complex concepts make him a student I highly recommend for future academic and professional opportunities.

Email: [rashedhasan@vt.edu](mailto:rashedhasan@vt.edu) | Phone number: (+1) 5408248817

**Name: Samia Yasmin** | Lecturer, CSE, Uttara University, Dhaka

As a lecturer in the OOP course, I observed Riad's strong analytical skills, problem-solving ability, and enthusiasm for programming. His dedication and application of concepts make him highly recommendable for future academic and professional pursuits.
